Another opportunity to experience this successful Scandinavian store which celebrated its 30th anniversary year in 2017. Selling ready-to-assemble furniture and housewares, it has its own style – loved by some, less so by others, either way difficult to ignore. Did you know one in five of us sleeps on an IKEA mattress – at least that what IKEA says! If you prefer a home grown and more contained environment, then Dunelm is just a short walk away.

The following trip will pick-up from the Village Hall

Windsor Town and/or Castle - £8

Thursday 4th Pick-up at 9.30 am Return at 3.00 pm

This is where Her Majesty the Queen calls home, and the cobbled streets, riverside setting and historic buildings and Royal Shopping Centre means there are plenty of things to see and do. If it's the Castle that interests, then this winter's Christmas display will commemorate the anniversary of the restoration of the Castle following the devastating fire 20 years ago. The state apartments will be decked with glittering gold decorations inspired by the work that was undertaken to restore the Castle's interiors to their former glory. A striking 20ft Nordmann Fir tree forms the centerpiece of the festive display.
